Accuse me thus: that I have scantied (all)
Wherein I should your great deserts repay;
Forgot upon your dearest love to call,
Whereto all bonds do tie me day by day;
That I have frequent been with unknown minds
And given to time your own dear purchas'd right;
That I have hoisted sail to all the winds
Which should transport me farthest from your sight.
Book both my wilfulness and errors down,
And on just proof surmise accumulate;
Bring me within the level of your frown,
But shoot not at me in your wakened hate;
Since my appeal says I did strive to prove
The constancy and virtue of your love.

118 Mech.?

Like as, to make our appetites more keen,
With eager compounds we our palate urge;
As, to prevent our maladies unseen,
We sicken to shun sickness when we purge:
Even so, being full of your ne'er-cloying sweetness,
To bitter sauces did I frame my feeding;
And, sick of welfare, found a kind of meanness
To be diseas'd ere that there was true needing.
Thus policy in love, t' anticipate
The ills that were not, grew to faults assured,
And brought to medicine a healthful state,
Which rank of goodness, would by ill be cured.
But thence I learn, and find the lesson true,
Drugs poison him that so fell sick of you.
